

Happy Together by The Turtles

*Imagine me and you I do
I think about you day and night
It's only right
To think about the girl you love
And hold her tight
So happy together
If I should call you up invest a dime
And you say you belong to me
And ease my mind
Imagine how the world could be
So very fine
So happy together
I can see me lovin' nobody but you
For all my life
When you're with me baby the skies'll be blue
For all my life
Me and you and you and me
No matter how they toss the dice
It had to be
The only one for me is you
And you for me
So happy together
I can see me lovin' nobody but you
For all my life
When you're with me baby the skies'll be blue
For all my life
Me and you and you and me
No matter how they toss the dice
It had to be
The only one for me is you
And you for me
So happy together
Me and you and you and me
No matter how they toss the dice
It had to be
The only one for me is you
And you for me
So happy together
So happy together
How is the weather
So happy together
We're happy together
So happy together
Happy together
So happy together
So happy together*
